D O R A

DESIGNED BY
ACIOLE FELIX

D O R A

Round, cozy, and with the subtle touch of straw on the legs, the Dora dining table is recognized for its appeal to nature through the use of wood and its most perfect features. In addition, the piece proposes organic movement through the shape of its feet.

FRAME

The frame of its legs is made of solid wood with details in natural straw, and its top is made of laminated MDF.

FINISHINGS/COATINGS

Finishes and coatings available according to the price list. It is a wide variety of finishes and coatings to compose unique pieces.
