TRAPÉZIO

DESIGNED BY  
STUDIO +Ah!

# TRAPÉZIO

---

The trapezoid geometric shape is a plane figure formed by four sides. This shape inspires base and solidity, which are the outstanding characteristics of the TRAPÉZIO bench. Made of wood with padding on the top, the piece is key to environments that need a touch of coziness.

## FRAME

*Frame in solid wood with seat upholstered with high density foam and coated.*

## FINISHINGS/COATINGS

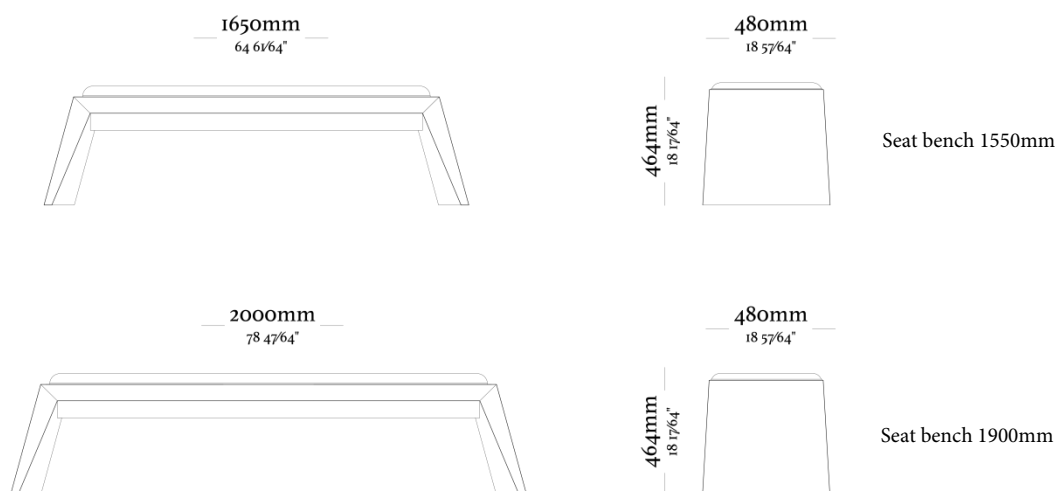

*Finishes and coatings available according to the price list. It is a wide variety of finishes and coatings to compose unique pieces.*

## OPTIONS

*Sizes 190cm and 155cm.*
