ZANI

DESIGNED BY
SÉRGIO BATISTA

ZANI

A result of joining natural hexagonal straw and wood, the Zani dining chair is here to tie the room together. Its upholstered seat and backrest provide the perfect ergonomics for use. The straw on the backrest provides ventilation for the back, providing more comfort and accommodating the user.

STRUCTURE

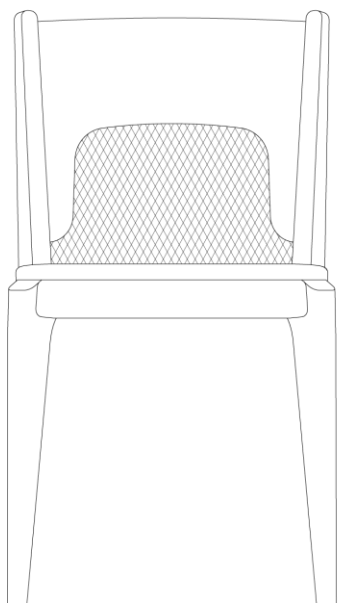

Solid wood structure with backrest made of natural cotton straw. Seat covered with high density foam and fabric.

FINISHES/ COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
