MONO

DESIGNED BY  
SÉRGIO BATISTA

# M O N O

---

Less is more and it is no different with the Mono armchair, it adds total sophistication and elegance with its pure and simple lines. The purity of its shape means it will match just about any space, its contemporary style makes it possible to be both a secondary piece and a statement piece. Using the highest standard foam in the seat and backrest, this armchair provides unparalleled comfort

## STRUCTURE

Solid wood structure with folded metal tube. Its seat and backrest contain Elastic webbing, it also contains medium density foam and soft foam in the seat and medium density foam in the backrest

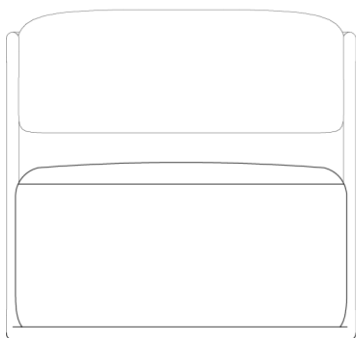

## FINISHES/ COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create
