V E L O

Velo mixes distinct styles in search of a timeless design. Its structure is in solid wood, produced with the best techniques of wood working. Its anatomical wood-paneled contact area has the perfect comfort to relax.

The Velo armchair is woodworking that brings a modern look to a consecrated style and has wood as its protagonist.

STRUCTURE

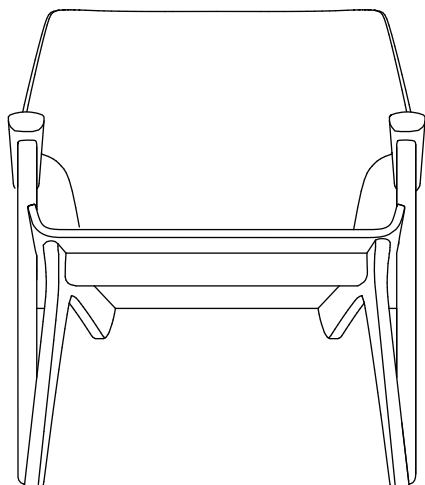

Armchair with structure in solid wood with seat and backrest in anatomical multilaminated plates. The assembly of the product has steel clips and PVA glue (suitable for wood), providing great resistance and avoiding creaking.

FINISHINGS

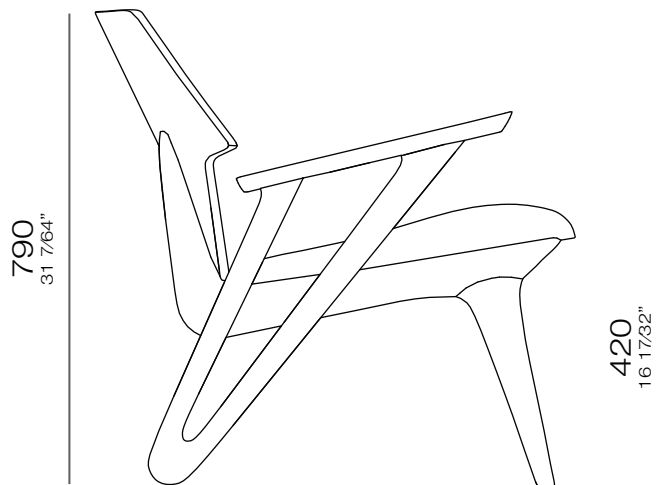

*Finishes: 79/79CV,
