B E L L A

DESIGNED BY
SÉRGIO BATISTA

B E L L A

As the name itself says, this armchair is love at first sight, its metallic structure houses a fully upholstered shell generously coated with the best foam so that the feeling of comfort that it conveys to the eye does not get lost at the moment of its use.

STRUCTURE

Structure armchair blending wood and metal with seat and backrest covered with foam and fabric.

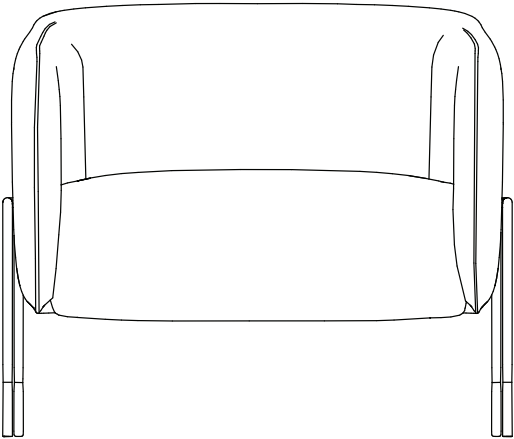

FINISHINGS

*Metallic structure: 085, 087, 088, 089, 090, 091.
Fabric: Uultis Palette + Leather.*
