BAUH

DESIGNED BY
SÉRGIO BATISTA

BAUH

O sofá Bauh combina o charme clássico da Bauhaus com elementos contemporâneos, criando uma harmonia perfeita entre o passado e o presente. Um pedaço da história do design, moldado de forma moderna e elegante, para homenagear o estilo icônico, enquanto permanecem relevantes no contexto atual.

ESTRUTURA

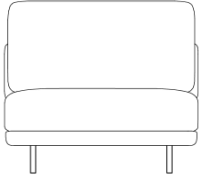

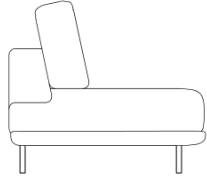

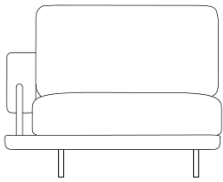

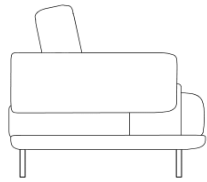

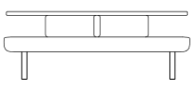

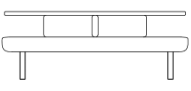

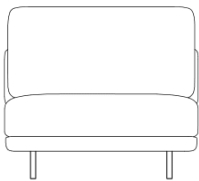

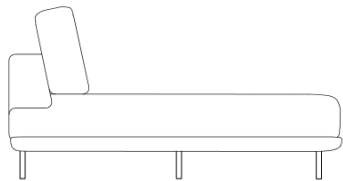

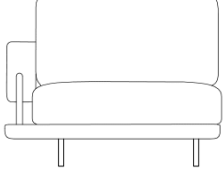

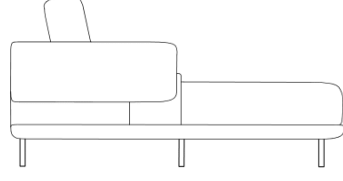

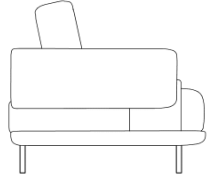

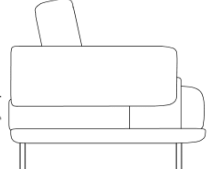

A estrutura do estofado Bauh é complexa e confortável. O esqueleto é composto por madeira maciça selecionada. As camadas de conforto contam com percintas elásticas e espumas de média densidade no assento, já o encosto conta com almofadas de espuma de alta resiliência. A sustentação da peça é oferecida por pés metálicos laminados com madeira natural. Os detalhes em madeira maciça estão presentes nos braços e na mesa central, esta que possui tampo de MDF laminado.
