ADELE

DESIGNED BY
ESTÚDIO UULTIS

ADELE

It's vintage, but it's also modern. Has an anatomical shape responsible for the comfort, in addition, the relax system, coupled with the aluminum base, provides a light balance to the armchair. The backrest, as well as the seat on elastic straps, has medium density foam wrapped in an Ecosoft foam quilt.

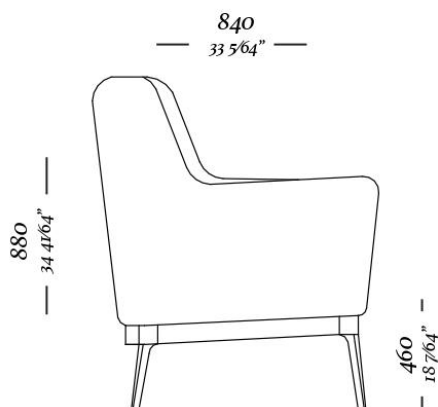

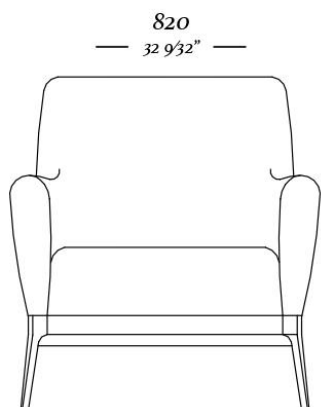

STRUCTURE

Solid wood armchair with seat covered in soft foam and an ecosoft foam blanket. It has the option of solid wood legs or a swivel base.

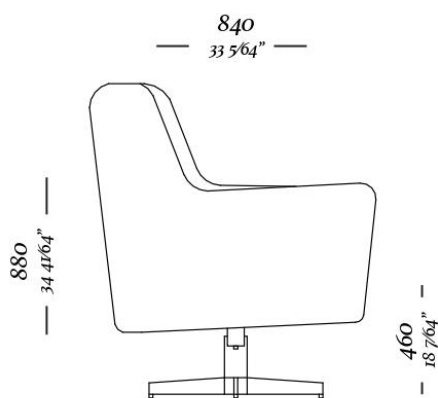

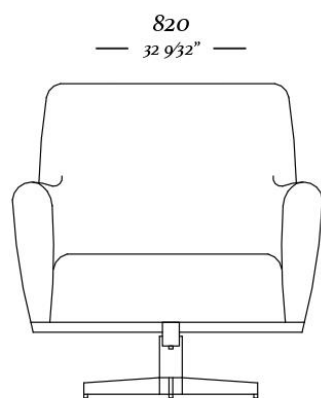

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
