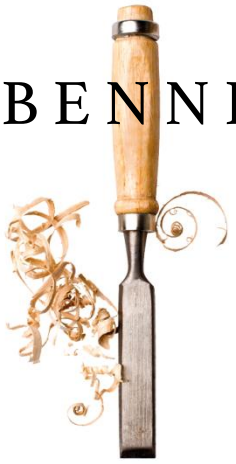
BENNE



DESIGNED BY

SÉRGIO BATISTA

BENNE

The Benne sofa is supported by stick-style legs which give the impression of levitating, as it rises from the floor with a clean look. This sofa has a seating system that can be assembled in various configurations, offering a very comforting experience.

STRUCTURE

Upholstered with solid wood structure coated with foam and fabric.

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
