BOND

DESIGNED BY
SERGIO BATISTA

BOND

The Bond upholstery is surprisingly comfortable. With a variety of options among the modules, it is impossible not to find the perfect combination for your space. The light visual with straight lines and smooth features give a touch of sophistication to the piece, while the strips applied to the wooden base bring personality and charm to any environment.

STRUCTURE

The structure is made of selected high quality solid wood. The seat is composed by layers of high density and soft foam supported by elastic webbing system. The backrest is composed by soft foam pillow and polyester fiber pillows.

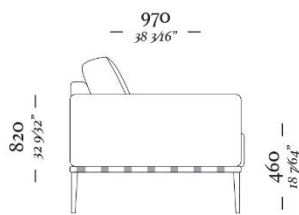

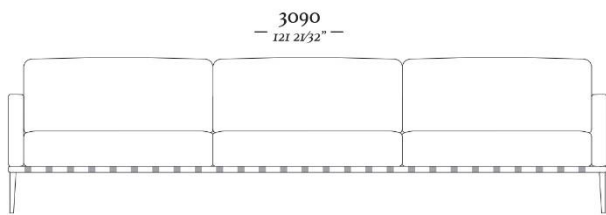

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
