EIXO

DESIGNED BY  
ESTÚDIO UULTIS

# EIXO

---

The Eixo sideboard is the perfect union of form and function, a standout piece that transcends its basic utility and becomes an expression of elegance and practicality in the space. It carries with it the authenticity and naturalness of wood and highlights stability through the composition of its form combined with the smoothness of the base.

## STRUCTURE

*The sideboard “Eixo” is mainly composed of selected solid wood of the highest quality. Its top is chamfered on the lower edge and along with the turned wooden feet, it highlights the elegance of the piece. The top also has a glass detail in an organic shape, as an addition to the functionality and design of the piece.*

## FINISHES/COATING

*Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.*
