FRACTUS

The Fractus table embodies the essence of expansion and infinite possibilities. With meticulously designed angles, it evokes the sensation of contemplating a growing fractal. The fusion of beauty and precision ensures a unique experience in exploring the piece, inviting touch and visual appreciation.

STRUCTURE

The structure is composed of a very high quality solid wood base, machined to result organic shapes. The top is made of MDF, with a natural wood veneer and chamfered edges, which give a differentiated finish to the piece.

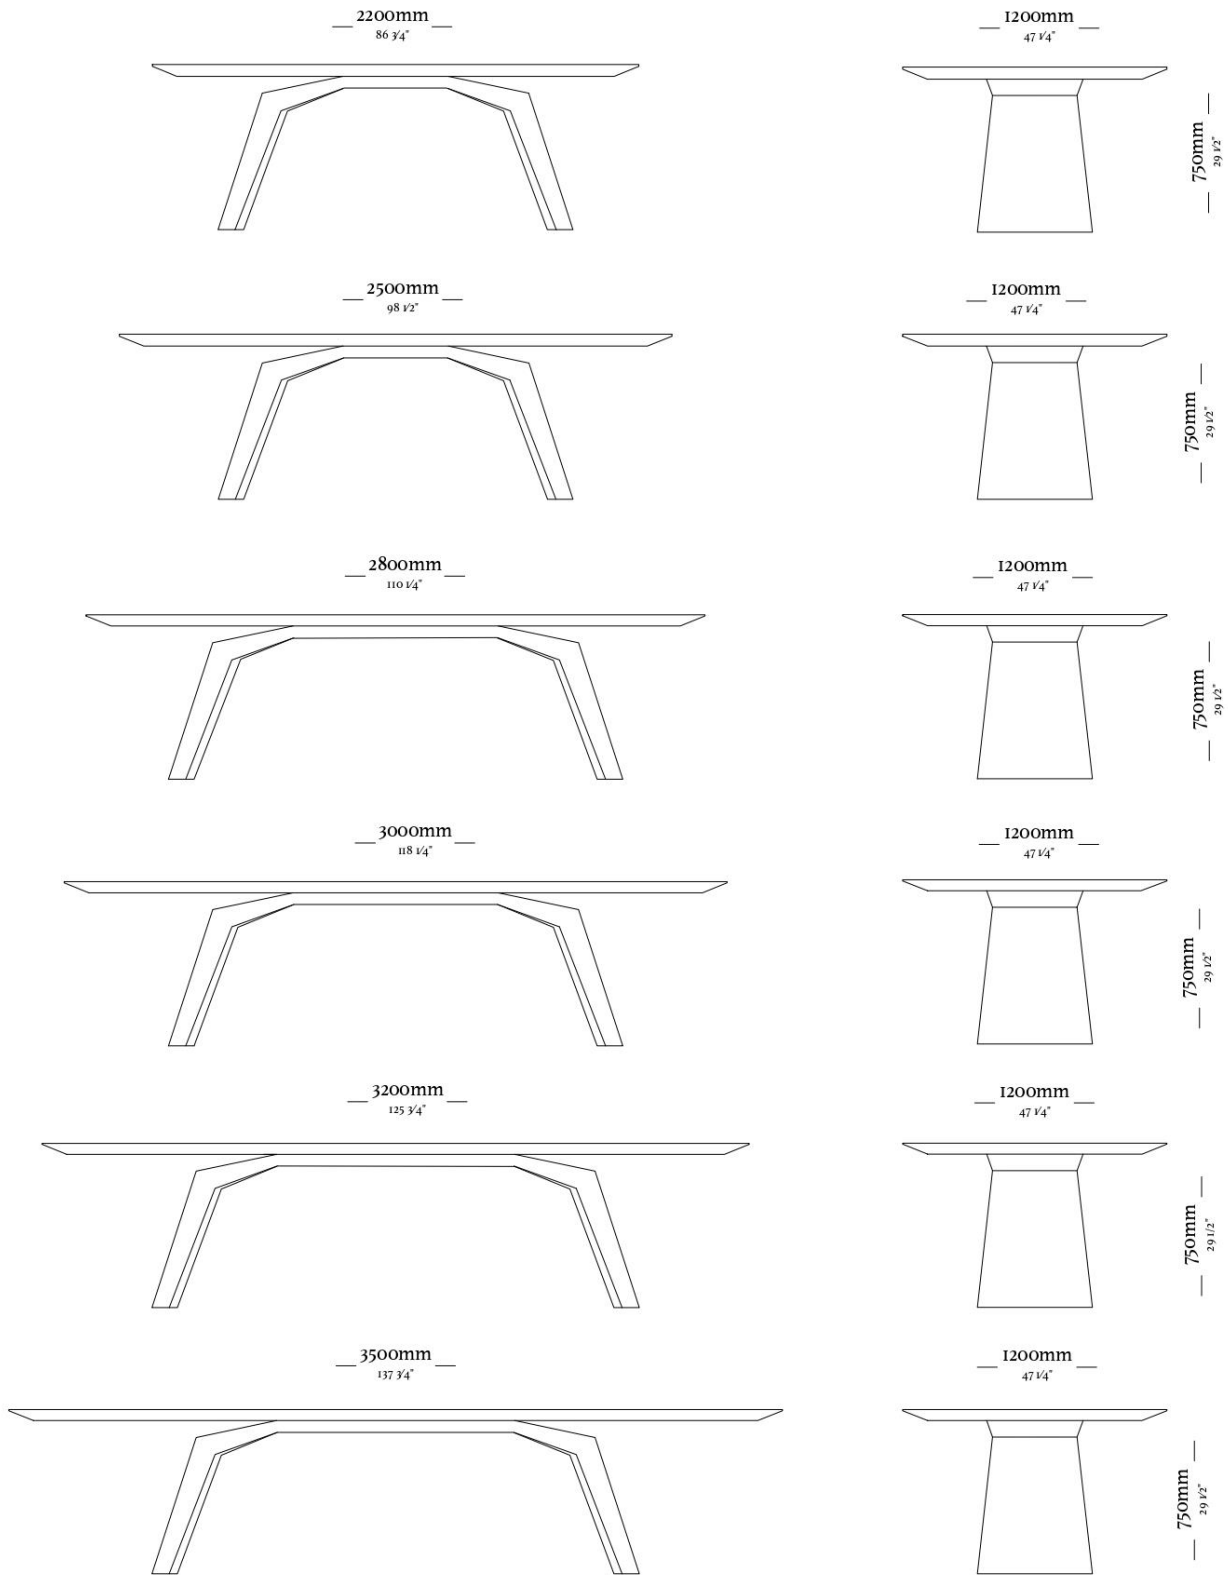

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
