H E X A

DESIGNED BY  
SÉRGIO BATISTA

# HEXA

---

With a backrest resembling a hexagon, the Hexa is a chair with a minimalist design and a strong natural appeal - both through the use of straw in the backrest and the prominent presence of wood as the centerpiece of the piece.

## STRUCTURE

*Solid wood structure with seat upholstered in high-density foam, back in natural cotton straw.*

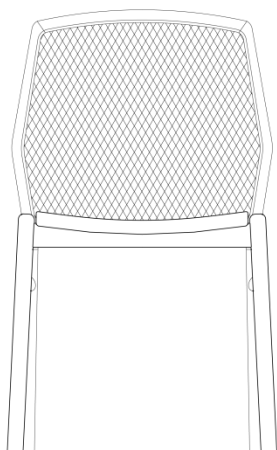

## FINISHES/COATING

*Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.*
