MAUÊ

DESIGNED BY  
SÉRGIO BATISTA

# MAUÊ

---

The Mauê Chair is a tribute to the beauty and authenticity of Maué culture, rooted in the forests of the Amazon. Inspired by the essence of its Sateré-Maué language and the sinuous curves of the rivers that cross the forest, this chair reflects the harmony between tradition and contemporaneity. It is an invitation to embark on a journey of connection with the nature and the history of this resilient people.

## STRUCTURE

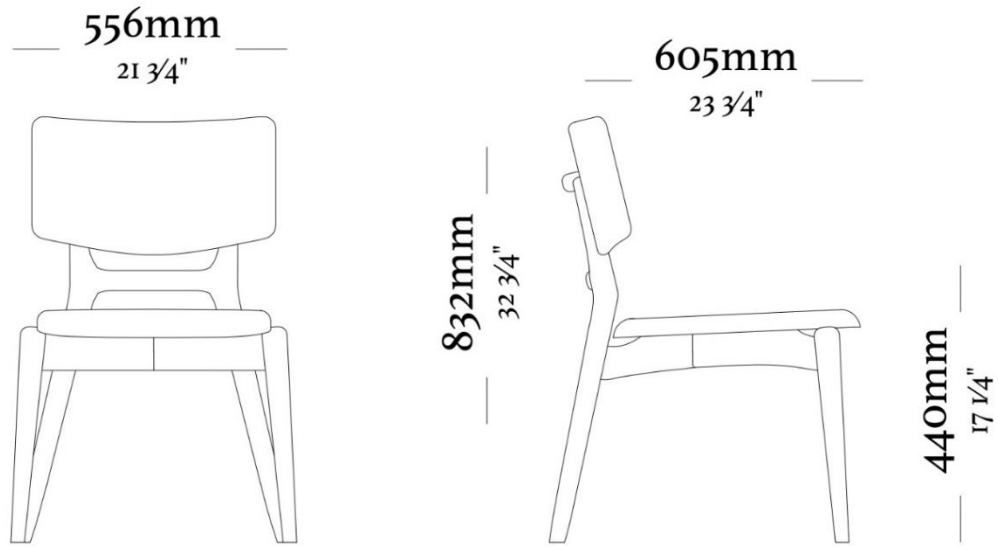

*The structure is composed of selected high-quality solid wood. The comfort of the seat is provided by high-density foam, while the ergonomics of the backrest are favored by the curvature and modeling of the wood.*

## FINISHES/COATING

*Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.*
