PAIPE

DESIGNED BY
SÉRGIO BATISTA

PAIPE

The Paipe sofa incorporates the essence of the legendary waves of Pipeline in Hawaii, bringing that magic into your home. Its fluid and graceful arms and backrest evoke the majestic curves of the sea, recreating the sensation of being by the crystal-clear water, capturing and transmitting the energy of this paradisiacal Destination.

STRUCTURE

The structure is made of high resistance solid wood. The seating comfort is offered by Web suspension system and medium density foam, besides that, the backrest is filled with polyester fiber. The highlight on this piece is in the curves and sewing details.

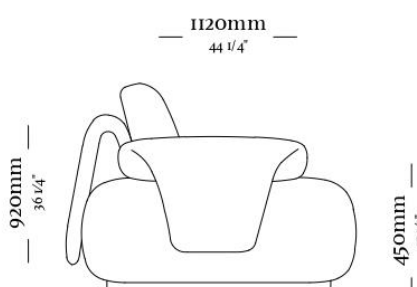

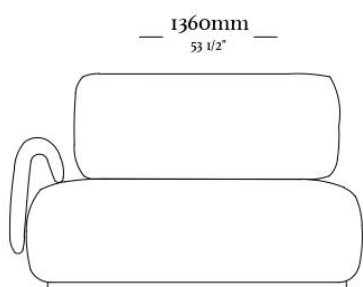

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
