RUY

DESIGNED BY  
SÉRGIO BATISTA

# R U Y

---

Conceived through the combination of innovation and sophistication, the new version of the Ruy Sofa elevates the concept of comfort and design to a new level. With a touch of wood on its edges, it combines the natural beauty of wood with the coziness of upholstery. This fusion of contrasting elements is not just aesthetic; it represents the merging of nature and comfort, sophistication and authenticity.

## STRUCTURE

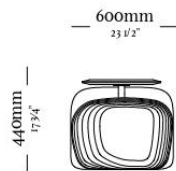

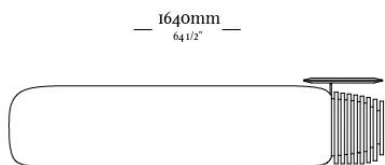

*The structure is composed by solid high-quality wood. The seat and backrest comfort is offered by medium and high density foam. in addition, the wood details brings up sophistication and personality.*

## FINISHES/COATING

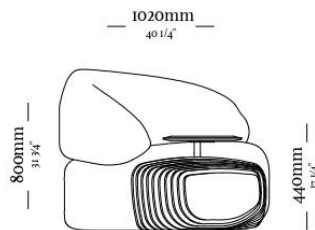

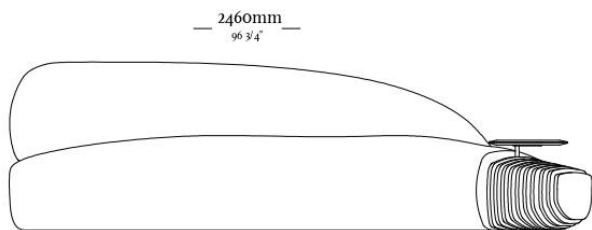

*Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.*
