S C A L E N E

DESIGNED BY
SÉRGIO BATISTA

S C A L E N E

An upholstered item; lots of ways to relax. Scalene has the modulations of an armchair, a module with two arms, no arms and chaise longue with arms. All of them with a welded aluminum structure, which gives more resistance and avoids creaking and flaws in the structure. It is every day comfort.

STRUCTURE

Upholstered with welded aluminum structure which brings great resistance avoiding creaking and flaws in the structure.

FINISHING

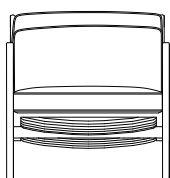

Aluminum Painting: 071 - 084 - 085 - 087 - 089 - 090. Fabric: Sense line specific palette. Painting Wood Teak: Only Color 152.

OPTIONS
