SERENUS

Inspired by the tranquility of a serene dawn, the Serenus mirror goes from a functional object to a portal for moments of introspection and clarity. Its name evokes the essence of calmness, purity, and light. The straight lines and minimalist design capture the beauty of simplicity, while its clean reflection conveys beyond the image a sense of inner peace.

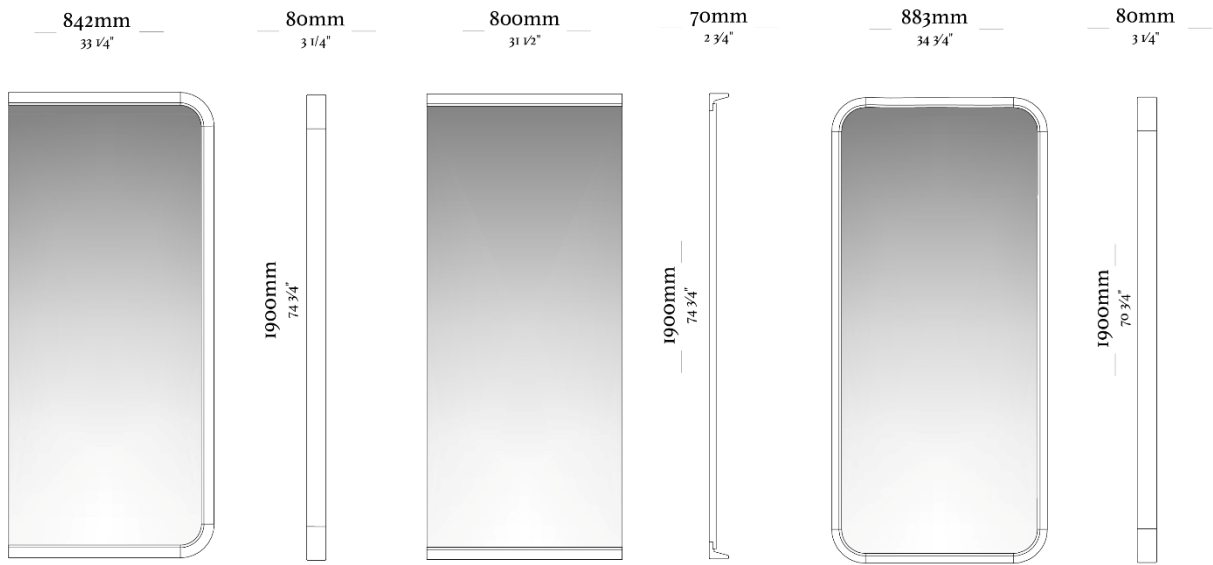

STRUCTURE

The frame is made of selected, high-quality solid wood, which guarantees the unique design and perfect finish of the piece. The super resistant MDF base is what supports the mirror, resulting in a simple but also elegant piece.

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
